Once a lesson day/time is selected, that slot is yours for the duration of the semester.

There are no makeup lessons, credit for lessons missed, or refunds given at any time.

The following options are available if illness, connection issues, sporting events, family vacations, or any other lesson conflicts occur:

1. A lesson review video can be recorded and sent to you upon request.
2. A lesson video that advances the next concept/technique can be recorded and sent to you upon request.

3. Offer the slot as a gift to someone who could benefit from a lesson.

### **Lesson Platforms**

All lessons are online and taught in real-time via *FaceTime*, *Skype*, or *Zoom*. Students using *Zoom* will receive a confirmation email with the meeting link on the morning of your scheduled lesson day.

### **Recording**

Lessons can be recorded by request, but the recording cannot be published, sold, or used in any way that's not for the private use of the student without written consent from me. Written consent to publish any part of a recorded lesson (audio or video) should be requested via email.

### **Contact**

I am available to answer any questions you may have between lessons via cell, text, email, *FaceTime*, *Skype*, or *Zoom*. Please do not hesitate to take advantage of this option if a quick clarification, re-demonstration, or short answer benefits your preparation for our next lesson.
